DESCRIPTIONS

Group Personal Training (Gold sessions)

We try to keep to a maximum of 6 participants, so bookings are essential. Sessions are tailored to participant's needs and goals. We have two types of Group Personal Training sessions:

X-TRAINING

Workouts are a powerful mix of cardio and weights for increasing fitness and lean muscle. The basic movements are pushing and pulling and use equipment like weights bars, chin-up bars, Olympic rings and Kettle Bells, as well as explosive moves like jumping on boxes.

STRENGTH

Predominately weights sessions for getting stronger and toning muscle. Sessions are made up of various essential training moves. Learning these moves correctly will help you get maximum results, prevent injury, and ensure you feel confident using weights. We recommend attending at least 2 strength sessions before attending X-TRAINING.

Casual Classes (black sessions on timetable)

General level, no need to book and no prior experience necessary. You just need to turn up with a towel and a positive attitude.

F.I.T. (Functional Integrated Training)

The MyGym version of BOOTCAMP but without the yelling and the carry-on. An interval training session similar to a circuit including: speed and agility drills: running around, jumping over things, throwing things and of course some push-ups and sit-ups guaranteed to get you FIT!

BOXING

Ever wondered why boxers are some of the fittest all-round athletes you'll ever see? Boxing is a great workout. Boxing at MY GYM includes: skipping, shadow-boxing, technique and cardio & conditioning drills. Boxing will improve your balance, coordination and confidence. We recommend attending Monday night, beginner sessions first, if you have never done any boxing before, this session is still a workout but with simple combinations. If you would like to try a bit of kicking as well – check out Saturdays class for a bit of Thai style kick-boxing.

PRE AND POST NATAL

If you have a baby who is happy in an enclosed playground, either a not too needy toddler or a baby in a pram or on a mat, then please join our "Mums+Bubs". The class meets in Alexandria Park on Tuesdays at 9am, please call or text Lynsey to book on 0403621276. Pre-natal mums can join our other workouts on the timetable and we will tailor them to suit you. Strength sessions suitable up to 20 weeks.

Alternatively we can have up to three babies in the gym for a semi-private session with two or three mums training. Pick a time that suits you and your friends, pricing as for personal training.

PERSONAL TRAINING

If you are not confident to train in a group with people that appear to know what they are doing just yet, or you have or are recovering from an injury, maybe you can't make it to our session times or you just need a bit of TLC – you might want to get started on your exercise program with a few one on one sessions. By appointment with Mac, Lynsey Kai, Nicola or Maria, email us or stop by the gym for details.

CONTACT: email info@mygym.net.au or phone MAC: 0448880810 or LYNSEY: 0403621276
Or stop in at Studio 1, 154 HENDERSON RD, or visit us online www.mygym.net.au

Small Group Training works just like personal training with out the price tag. Sharing your training session makes it a bit more fun, plus creates a bit of friendly competition so you work a bit harder than you would on your own. The beauty of having a studio rather than just training in the park means that you can never use the weather as an excuse not to train and get all the benefits of weight training as well, because we are not limited to using equipment that fits in the boot of a car. Most importantly Mac and Lynsey are not only highly experienced trainers but they are also interesting people. This means they can help you can train safely along with others of a different level and still get the workout that's right for you and it might not be as boring as you think!

At MY GYM we don't believe in signing people up for life so none of our memberships have contract periods. We do think that when you train hard and get the results you're after you will want to stick with us.
